

# Empowering Higher Education with Innovative S2P Solutions

Simplify procurement and drive efficiency with JAGGAER One — a centralized source-to-pay platform purpose-built for higher education.

As a global leader in enterprise procurement and supplier collaboration, JAGGAER helps colleges and universities streamline procurement processes essential to student success, academic research, and financial stewardship. With over 30 years of expertise, JAGGAER One delivers a comprehensive, AI-driven platform tailored to the unique needs of higher education.

## JAGGAER One Procurement Platform

JAGGAER One unifies sourcing, contract management, procurement, payments, and more, into one intelligent platform. Fully integrated with ERP and campus systems, JAGGAER automates complex processes, strengthens supplier collaboration, and helps institutions maximize the impact of every dollar spent.

## Trusted by Over 700 Colleges and Universities, Including:

BROWN

University System  
of New Hampshire

Rensselaer

## Customer Benefits

- **Optimize Spend & Operations:** Increase transparency and financial control to drive smarter decisions.
- **Automate & Streamline Processes:** Reduce manual work and boost productivity across departments.
- **Enable Strategic Sourcing:** Access an extensive supplier network and leverage competitive bidding tools.
- **Manage Compliance & Risk:** Mitigate supplier and contract risk with built-in governance tools.
- **Advance ESG & Supplier Diversity Goals:** Source sustainably and track Diversity, Equity, and Inclusion impact.
- **Leverage AI for Actionable Insights:** Use predictive analytics and intelligent guidance for data-driven decisions.

JAGGAER

"JAGGAER in one word? Innovation. Some of our key business objectives now involve deciding how to use the data we have been able to capture to find further efficiencies and devise innovative strategies in terms of commodity management and business relationships."

*Americus Gill, Chief Procurement Administrator,  
Liberty University*
