## JAGGAER Pay: Payments Made Simple

Accounts payable has long been fragmented, manual, and costly, spanning invoice capture, matching, ERP routing, and payment execution through third-party processors.

With JAGGAER Pay, this complexity is eliminated. The entire AP workflow, from invoice capture to payment and reconciliation, is consolidated into a single, intelligent platform, making payments faster, more secure, and revenue-generating.

### Then: Fragmented, manual and expensive

### Now with JAGGAER Pay: Consolidated, automated, revenue generating

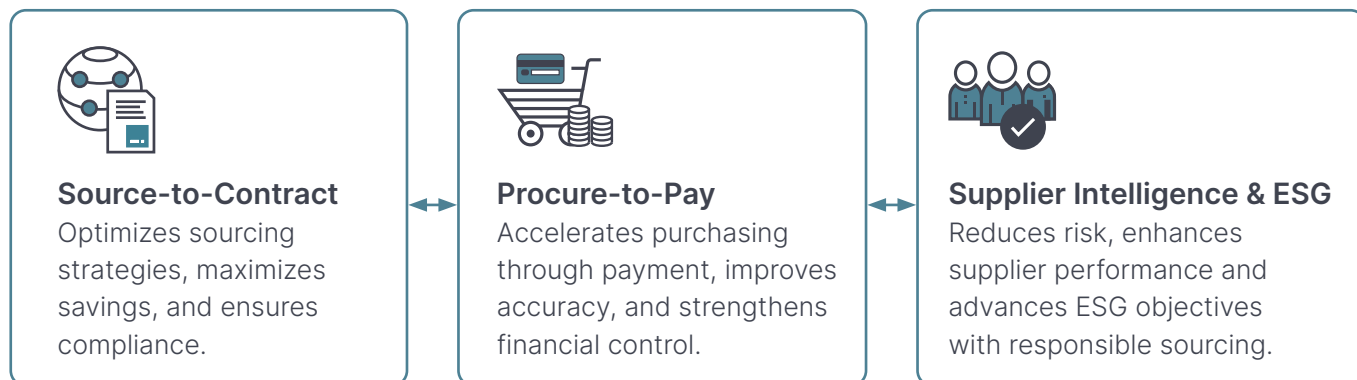

## The Power of a Connected Procurement Ecosystem

JAGGAER Pay is the payments engine within JAGGAER One. When connected across JAGGAER One's source-to-pay solutions, it becomes part of a powerful ecosystem that streamlines operations, reduces risk, and turns payments into a driver of new revenue growth. Powered by an intelligent core, JAGGAER One orchestrates data, processes, collaboration, and intelligence into strategic action to drive lasting value.

## Connected Capabilities. Accelerated Outcomes.

Procurement delivers greater value when fully connected across the Source-to-Pay ecosystem:

"We spent three years searching for the perfect payment service provider before choosing JAGGAER Pay. The primary reason for our choice was its comprehensive integration, providing easy access to payment information for both us and our vendors. Within the first few months, we saw significant savings and started earning rebates. It has been a great relationship from the start."

- Clint Merritt, Executive Director of Financial Management Operations
