

Frictionless Commerce for Public Sector

Get the most out of your government spend with JAGGAER One source-to-pay solutions designed to support public needs

JAGGAER is a global leader in enterprise procurement and supplier collaboration. Backed by 30 years of expertise, our proven AI-powered public sector focused solutions, services, and partnerships form JAGGAER One. Manage and automate complex processes with a highly resilient, accountable and integrated supplier collaboration platform, enhancing human decision making to meet your constituents' needs.

JAGGAER One Procurement Platform

JAGGAER One is transforming the way public sector organizations operate and meet the needs of their citizens. Harnessing the latest advances in AI, our all-in-one platform centralizes your data, processes, and transactions – delivering added value by enabling intelligent, transparent, frictionless commerce.

Trusted by 200+ Governments & Agencies:

Customer Benefits

- **Optimize operations, data management, and transparency** with one comprehensive solution spanning source-to-pay.
- **Simplify and automate processes**, reducing risk and saving time.
- **Future-ready your supply chain** by diversifying your supplier base with our deep supplier network.
- **Understand opportunities and gain insights** with our AI.
- **Mitigate risk and ensure compliance** with our dedicated risk management capabilities and integration partners.
- **Build and accelerate your ESG goals** with tools to not only measure and comply - but lead.

"[JAGGAER] is helping us to gain insight in valuable spend information that has never been available across the state in this depth. It allows us to understand what is important and which opportunities will lower the state's costs and capture the most efficiencies. On top of that, the increased efficiency employees have gained doing the day-to-day purchasing is substantial."

*Gina Tiedemann, Deputy Commissioner, Operations
Georgia Department of Administrative Service*

70%

Average reduction in procurement cycle times thanks to streamlined processes and automated workflows.

200+

Public sector buying organizations around the world choose JAGGAER to provide better value to their taxpayers.
