

Overview

Are you ready to demonstrate your commitment to the eProcurement industry and solidify your solution knowledge through JAGGAER Certification? If so, JAGGAER University is offering administrator certification training for our world class solutions prior to the REV2019 conference. Sign up with your REV2019 registration to begin the enrollment process and take advantage of conference discounts. Training and Exam registration fees will be discounted for REV2019 attendees to \$199*!

Audience

The target audience for the JAGGAER Administrator Certification program includes:

System Administrators

Super Users: Managers of procurement, suppliers, or contracts using the JAGGAER solutions

Training Components

The JAGGAER Administrator Certification includes both pre-conference eLearning and live training conducted at REV2019. Training will be offered the day prior to the conference, so you won't miss any REV2019 sessions. The eLearning courses provide foundational training that will prepare you for the solution specialization curriculum and is recommended to complete prior to attending the solution specialization sessions at the conference.

The training program consists of 2 components:

Part 1 – Pre-conference eLearning:

Platform Functionality:	Focuses on Platform functionality and introduces platform-wide administration and configuration options available to customers. Training is accompanied by an exam.	Approx. 3 hours
Solution Essentials Training:	Provides a foundational overview of core functionality on a specific solution and is strongly recommended prior to solution specialization training.	Approx. 3-8 hours (time varies by solution)

Part 2 - Live Instructor-Led sessions at REV2019:

Solution Specialization:	Focuses on the administrative functionality of the solution followed by an exam.	October 1, 2019
---------------------------------	--	-----------------

*Total cost for this Administrator Certification offering is \$199, including materials and the day's meals at REV2019.
