

Global Alliance & Channels

TODAY'S GLOBAL ECONOMY places a premium on a company's ability to compete. JAGGAER partners have realized that the best way to compete is to provide a more complete array of solutions, creating value at a greater number of touch points within clients' workflows.

Our partner ecosystem delivers value beyond savings to customers through shared innovation and a world-class Source-to-Pay solution.

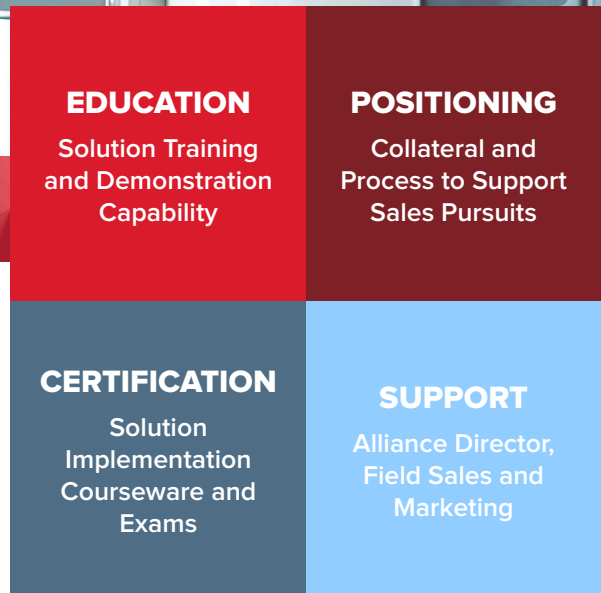

We invite you to join our JAGGAER Partner Network. If you are an independent

software vendor, systems integrator, consultancy or business process outsourcing provider, let's work together to lead customers to the next level of efficiency across the procurement lifecycle.

The JAGGAER Partner Network is a global alliance and channel partner program that helps drive business growth through joint market expansion, customer capture and opportunity development. You can choose to refer, resell or deliver services.

- **The Benefits** - Leverage our resources, from technology to training and sales support, to better prepare your team. Empower your services delivery staff with the knowledge and expertise gained from our Partner Network Certification.
- **The Potential** - Deliver value beyond savings to your customers that only a fully integrated Source-to-Pay suite can provide. Our JAGGAER ONE platform reflects two decades of success across multiple industries for over 2,000 customers.

- **The Future** – Businesses seek competitive advantage and continuous improvement. Deliver both with JAGGAER through Select Partner, jointly providing customers with the solutions and services to achieve just that.

SELECT YOUR PATH TO SUCCESS

Our partners have a variety of experience deploying solutions, implementing innovations, and helping customers transform their businesses. The JAGGAER Partner Network provides resources to help you grow your own business while developing stronger customer relationships.

Learn more about the Partner Network and the possibilities it creates for our joint success. Evaluate which kind of partnership is right for your business and let's start collaborating.
