

Unified Catalogs and Suppliers for Simpler Purchasing

JAGGAER and Unite are transforming indirect procurement by giving buyers direct access to Unite's powerful B2B marketplace—delivered through a seamless search experience.

By embedding Unite's marketplace into JAGGAER One, organizations gain instant access to millions of products from trusted European suppliers, and from one single creditor only. This seamless integration empowers procurement teams to streamline purchasing, reduce complexity, and enhance visibility, driving efficiency at every step.

Next-Level Indirect Procurement

Streamlined Purchasing with a Single Creditor

Consolidate supplier relationships through Unite's unique Single Creditor model. Simplify accounting, reduce invoice volume, and accelerate reconciliation.

Broader Sourcing Power with Local Access

Browse and buy from over 100 million products across 1,500+ vetted suppliers in 12 European countries—no new punchouts or integrations required.

Cost and Compliance Optimization

Leverage Unite's shopping cart optimization to lower costs and reduce shipments. ESG insights and built-in governance help ensure compliant and sustainable procurement.

Better User Experience, Faster Results

Empower procurement teams with advanced search, cross-catalog comparisons, and dedicated local customer support, all through a retail-like buying interface.

Smarter Tools for Simplified Buying

Seamless access to your full catalog portfolio

Shopping cart optimization based on your procurement goals

View management for spend control per department

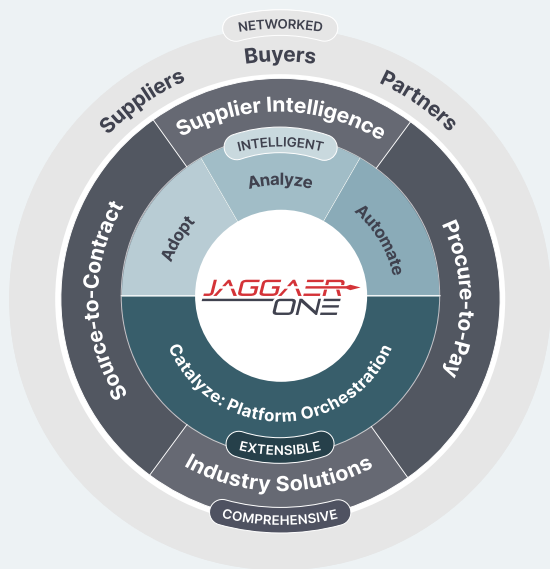

Local Customer Service as the single point of contact for all your queries

Cross-catalog search to boost price transparency and product availability

Comprehensive reports for tail spend analysis and auditing
