More ways to pay
within Jaggaer

We are ISO 27001 & ISO 9001 certified

Your payments are
safe with us

PaymentsHub: Meet the solution to your payment challenges

CHALLENGE ----->

OUR SOLUTION

- ✗ **Speed of International Payments**
Often takes several days

- ✓ **Faster International Payments**
TransferMate moves money cross-border same day/next day

- ✗ **Transparency**
Difficult to track and trace vendor payments, lack of precision on payment receipt date

- ✓ **Full Visibility**
TransferMate provides full visibility throughout the payment journey

- ✗ **Excessive Fees**
Sender and receiver fees, foreign exchange charges, typically a daily rate

- ✓ **Value Delivered**
No sending or receiving fees.
Amount sent = amount received.
Competitive FX rates

- ✗ **Manual Accounts Payable Processes**
Keying of transactions, manual keying of vendor payment details

- ✓ **Integrated**
Invoice and payment data easily recorded and saved for future use
